

Nursing Podcasts

Below is a list of podcasts aimed specifically at nursing staff. The content on these sites can be listened to online or downloaded via your computer, tablet or smart phone.

EBN podcast, by BMJ Group -

<https://soundcloud.com/bmjpodcasts/sets/ebn-podcast>

Published quarterly, the purpose of Evidence-Based Nursing is to select from the health related literature research studies and reviews that report important advances relevant to best nursing practice.

NMC Revalidation Podcasts - <http://www.nhsggc.org.uk/about-us/professional-support-sites/nurses-midwives/nmc-revalidation-podcasts-star-new/>

NHS Greater Glasgow and Clyde in partnership with UWS have developed a series of 5 short video clips to support nursing staff with the NMC revalidation process.

Podcast: Revalidation for Practice Nurses and Practice Nurse Employers - <http://faculty.londondeanery.ac.uk/nurse-revalidation-resources/revalidation-for-practice-nurses-and-practice-nurse-employers>

The Multi-professional Faculty Development Unit (London and South East) sits within the Professional Development Team and works on behalf of Health Education England, London and South East. They have developed a short and useful podcast outlining briefly the Revalidation processes and requirements. It follows the revalidation experience of a Practice Nurse and demonstrates what the revalidation process might look like in action.

American Journal of Nursing -

<http://journals.lww.com/ajnonline/Pages/podcasts.aspx>

This is the audio recordings from the "American Journal of Nursing". It includes 'This month in AJN', and 'Behind the Article'.

Nrsng - <https://www.nrsng.com/podcasts/>

This is a nursing podcast series for nurses and nursing students. Please see below for an example of the podcast shows available:

NRSNG Podcast

This is an eclectic look at the profession. The NRSNG Show talks about: Confidence in nursing, real life nursing stories, life hacks for nurses, anatomy and physiology of diseases and has interviews with incredible nurses, authors, and successful people

MedMaster Show

This show has taken the 140 most commonly tested and prescribed medications and created a short 5-10 minute episode that covers the details of the medication.

Nursing Show - <http://www.nursingshow.com/>

This is the home of the acclaimed Nursing Show podcast. With over 100 weekly episodes and hundreds of articles, this is your online resource for up to date nursing news, commentary from guest nurses, and tips for RNs, LPNs, and other nurses at all levels!

NursEM - Nursing in Emergency - <http://nursem.org/en/home/>

Current conversations and evidence-based practice issues related to Emergency Nursing.

Medscape Nurses Podcast-

<https://itunes.apple.com/us/podcast/medscape-nurses-podcast/id359756927>

This podcast has latest medical news, features, Interviews, conversations, and CNE from Medscape Nurses.

New Nurse Podcast, by Andria, RN, BSN, CCRN -

<https://itunes.apple.com/gb/podcast/new-nurse-podcast/id439442397?mt=2>

As a new nurse you might be worried about killing your patient. This podcast will help you avoid doing that by teaching you what to do if you find yourself in a "worst case scenario" in the ICU.

The Nursing Crash Cart, by Cameron Hansen, RN-

<http://edcrashcart.com/wordpress/?cat=2>

An educational podcast for new nurses starting in the Emergency Department and for those who want to know if Emergency Nursing might be right for them.

The MDTea Podcast, by The Hearing Aid Podcasts –

www.thehearingaidpodcasts.org.uk

This is a free open access series of podcasts for all healthcare professionals working with older adults. We will present the evidence base, recent advances and established best practice / wisdom in healthcare for older adults. Each episode reviews an aspect of caring for older adults from the perspective of our MDT faculty.
